Dear Sports friends!

As I am the Technical Officer for Athletics and I am sending information regarding future date(s) of your Athletics Championships in your area. I would like to inquire whether your country have own Athletics Championships for the Deaf.

I would like to encourage deaf peoples from all countries in Europe and to involve in compete in Athletics Championships, other deaf peoples might willing to take part in this championships on various dates and places.

So, that is why I create overview and knowledge information of future Athletics Championships.

I would be more grateful if could you please tick (✓) and then email to me, or to post me at the address as above and return this letter by **31 December 2008** please – thank you
